Dear Mr McNamara

OPTIONS-STAGE REGULATION IMPACT STATEMENT

I submit to the Office of Best Practice Regulation the attached options-stage regulation impact statement (RIS) prepared by Treasury to facilitate Government consideration of the possible establishment of a Financial Stability Fund.

I am satisfied the options-stage RIS meets the Government's best practice regulation requirements.

In line with best practice regulation requirements, I recognise the options-stage RIS will be published on website following public announcement of any Government decision to establish a Financial Stability Fund.

Yours sincerely
