Lyn O'Connell  
Deputy Secretary  
Department of Infrastructure and Transport

Dear Ms O'Connell,

#### **Regulation Impact Statement – Brake Assist Systems**

Thank you for forwarding the Regulation Impact Statement (RIS) mentioned above on 8 August 2013.

The RIS contains an adequate level of analysis and meets the Government's best practice regulation requirements. We note that the RIS has been formally certified at the Deputy Secretary level as required by the best practice regulation requirements.

The Office of Best Practice Regulation (OBPR) maintains a website and the Government requires that RISs be posted on the website within 5 business days of a regulatory decision being publicly announced. The website provides a public comment facility on RISs posted online. The OBPR moderates this facility for offensive content, but does not moderate debate.

Please retain this letter as a record of the OBPR advice. Our reference number for this issue is 14546. If you have any further queries, please contact me on 02 6215 3859.

Yours sincerely
