Mr Phillip Glyde
Deputy Secretary
Department of Agriculture

Dear Mr Glyde

Final Assessment of Regulation Impact Statement – Regulation of Stock Food and Pet Food as Veterinary Chemical Products

Thank you for submitting the Regulation Impact Statement (RIS) for the above proposal for final assessment. I note that you have formally certified the RIS as required by the best practice regulation requirements.

The Office of Best Practice Regulation's (OBPR) final assessment is that the Department of Agriculture is compliant with the Government's RIS requirements and is consistent with best practice, as:

- the Department has twice submitted a certified RIS for the OBPR's assessment prior to a final decision;
- the average annual regulatory cost savings for the options presented have been agreed with the OBPR; and
- your letter of 24 December 2014 certifies that the RIS responds to the OBPR's formal comments of 20 November 2014.

In addition, I note that the RIS: addresses the seven RIS questions; does not contain obvious errors; and considers at least three options, including a non-regulatory option.

The OBPR also notes that the recommended option – conditional exclusion – is expected to reduce compliance costs for businesses, with the RIS noting that the option is also expected to result in equivalent product risk relative to the current regulatory arrangements.

The OBPR maintains a RIS website and aims to post RISs as soon as practicable after the regulatory decision has been publicly announced. To assist with this, we would appreciate you advising us when a decision on this proposal is announced and forwarding a final copy of the RIS in *Microsoft Word .doc* format in a form meeting the Australian Government's *Web Content Accessibility Guidelines*.

We suggest liaising with your web services team to ensure these guidelines are met. The OBPR should be consulted if the RIS is amended. It is the agency preparing the RIS, not the

OBPR, which is responsible for the content of the published RIS. The OBPR website provides a public comment facility. The OBPR moderates this facility for offensive content but does not moderate debate.

Please retain this letter as a record of the OBPR's advice. Our reference number for this issue is 16908. If you have any further queries, please do not hesitate to contact me on 6271 6286.

Yours sincerely
