Dear Mr Lonsdale

Regulation Impact Statement – Second-pass final assessment – Removal of Impediments to Margining

Thank you for submitting the Regulation Impact Statement (RIS) for the above proposal to the Office of Best Practice Regulation (OBPR) for second-pass final assessment on 11 March 2016. I note that the RIS has been formally certified at the Deputy Secretary level consistent with best practice.

The OBPR's final assessment is that the Treasury is compliant with the Government's RIS requirements and the RIS is consistent with best practice. This assessment is based on:

- the regulatory savings estimate having been agreed with the OBPR;
- your letter of 11 March 2016 certifying the RIS responds to the OBPR's formal comments on the RIS submitted for first-pass assessment; and
- the RIS does not contain obvious errors.

Publication requirements

The OBPR maintains a RIS website. We would appreciate you advising us when a decision on this proposal is announced, and forwarding a final copy of the RIS in Microsoft Word.doc format in a form meeting the Australian Government's Web Content Accessibility Guidelines.

We suggest liaising with your web services team to ensure these guidelines are met. The OBPR should be consulted if the RIS is amended. It is the agency preparing the RIS, not the OBPR, which is responsible for the content of the published RIS.

The website provides a public comment facility on RISs posted on the site. The OBPR moderates this facility for offensive content but does not moderate debate.

Please retain this letter as a record of the OBPR's advice. Our reference number for this matter is 19243. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
