The Treasury

Dear Mr Brake

**Post Implementation Review – Statutory Definition of Charity**

Thank you for forwarding a Post-implementation Review (PIR) examining a decision to introduce a statutory definition for a charity.

The Office of Best Practice Regulation's (OBPR) assessment is that the PIR contains an adequate level of analysis given the size of the impacts.

The next step is for the PIR to be sent to the relevant portfolio minister and the Prime Minister, and published on the OBPR's website. Please notify us when copies of the PIR have been provided to the minister and Prime Minister. Once these steps have been taken the Department will be fully compliant with the PIR requirements.

The OBPR's reference number for this PIR is 20245.

Yours sincerely
