Mr Michael Brennan  
Deputy Secretary  
The Treasury

cc. Regulatory Reform Unit

Dear Mr Brennan

**Regulation Impact Statement – Second Pass Assessment – Superannuation**

Thank you for submitting the Regulation Impact Statement (RIS) for the above proposal to the Office of Best Practice Regulation (OBPR) for second-pass final assessment on 24 October 2016. I note the RIS has been formally certified at the Deputy Secretary level consistent with best practice.

The OBPR's final assessment is that the Treasury is compliant with the Government's RIS requirements.

The RIS has not been assessed as best practice with the Government's RIS requirements as significant and major policy decisions on the proposal were announced on 15 September 2016 that were not informed by an updated RIS.

The OBPR maintains a RIS website. We would appreciate you advising us when decisions on this proposal are finalised, and forwarding a final copy of the RIS and your second pass certification letter in *Microsoft Word .doc* format in a form meeting the Australian Government's *Web Content Accessibility Guidelines*. The OBPR should be consulted if the RIS is amended.

Please retain this letter as a record of the OBPR's advice. Our reference number for this matter is 20591. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
