Dear Mr Hehir

Regulation Impact Statement – Second-pass final assessment – Youth Employment Package

Thank you for submitting a Regulation Impact Statement (RIS) for the Youth Employment Package which was received by the Office of Best Practice Regulation (OBPR) on 30 September 2016.

The OBPR's final assessment is that, taking into account the likely impacts of the proposal, the Department of Employment is compliant with the Government's requirements and is consistent with best practice. We note that regulatory costs have been estimated and agreed with the OBPR. The RIS may now be provided to the decision maker to inform a final decision.

This assessment is based on:

- the regulatory burden costings having been agreed with the OBPR;
- you certifying that the RIS responds to the OBPR's formal comments on the RIS submitted for first-pass assessment; and
- the RIS not containing obvious errors.

The OBPR maintains a RIS website and aims to post RISs as soon as practicable after the regulatory decision has been publicly announced.

We would appreciate you advising us when a decision on this proposal is announced, and forwarding a final copy of the RIS in Microsoft Word .doc format in a form meeting the Australian Government's Web Content Accessibility Guidelines. The OBPR should be consulted if the RIS is amended. It is the agency preparing the RIS, not the OBPR, that is responsible for the content of the published RIS.

The OBPR's reference number for this matter is 20757. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
