Dear Ms Zielke

Regulation Impact Statement - Second-Pass Final Assessment – Advanced Motorcycle Braking Systems for Safer Riding

Thank you for submitting a Regulation Impact Statement (RIS) to the Office of Best Practice Regulation (OBPR) on 8 November 2017 examining options to increase fitment of advanced braking systems to motorcycles as a countermeasure to motorcycle related road trauma.

The OBPR's final assessment is that the Department of Infrastructure and Regional Development is compliant with the Government's requirements and that the RIS is consistent with best practice. The RIS may now be provided to the decision maker to inform a final decision.

We would appreciate you advising us when a final decision on this proposal has been announced and forwarding us a copy of the RIS in a form meeting the Government's accessibility requirements. The OBPR's reference number for this matter is 22202. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
