Dear Mr Writer

Regulation Impact Statement – Final Assessment Second-Pass – Better Targeting the Research and Development Tax Incentive (R&DTI)

Thank you for sending your Regulation Impact Statement (RIS) on reforms to better target the R&DTI to the Office of Best Practice Regulation (OBPR) for second-pass final assessment on 26 November 2019.

The OBPR's final assessment is that the Treasury is compliant with the Australian Government's requirements and that the RIS is consistent with best practice. The RIS may now be provided to the decision maker to inform a final decision.

Please advise us when a final decision on this proposal has been announced, and forward to us a copy of the RIS in a form meeting the Government's accessibility requirements.

The OBPR's reference number for this matter is 25318. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
