Acting General Manager  
Content and Consumer Division  
Australian Communications and Media Authority

Dear Mr Ritter

**Regulation Impact Statement – Second-pass final assessment – Mobile Porting Fraud**

Thank you for submitting the Regulation Impact Statement (RIS) for the above proposal to the Office of Best Practice Regulation (OBPR) for second-pass final assessment on 21 February 2020.

The OBPR's final assessment is that the Australian Communications and Media Authority is compliant with the Government's requirements but not consistent with best practice since the RIS does not contain sufficient depth of analysis or exploration of stakeholder views. The RIS may now be provided to the decision maker to inform a final decision.

We would appreciate you advising us when a final decision on this proposal has been announced and forwarding us a copy of the RIS in a form meeting the Government's accessibility requirements. The OBPR's reference number for this matter is 26155. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
