Dear Ms Rainsford

Regulation Impact Statement – Second Pass Assessment – Reducing the Impact of Scam Calls

Thank you for your letter received on 6 November 2020 submitting a Regulation Impact Statement (RIS) on reducing the impact of scam calls for formal Second Pass Final Assessment.

I appreciate the ACMA's constructive engagement on the RIS.

The Office of Best Practice Regulation's (OBPR) assessment is that the quality of the regulatory impact analysis in the RIS is consistent with good practice. The RIS addresses the seven RIS questions and follows an appropriate policy development process commensurate with the significance of the problem and magnitude of the proposed intervention. The RIS may now be provided to the decision-maker to inform a final decision.

We would appreciate you advising us when a final decision has been announced and forwarding a copy of the RIS in a form meeting the Government's accessibility requirements. The OBPR will publish the RIS, along with your certification and this assessment, on the OBPR's website at www.ris.pmc.gov.au.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely
