Dear Ms Mrakovcic

Regulation Impact Statement – Second-Pass Final Assessment – National Redress Scheme for Institutional Child Sexual Abuse – New Governance Standard for Registered Charities

Thank you for your letter received on 14 January 2021 submitting a Regulation Impact Statement (RIS) on the *National Redress Scheme for Institutional Child Sexual Abuse – New Governance Standard for Registered Charities* for formal second-pass Final Assessment.

We note the RIS has been formally certified at the Deputy Secretary level consistent with the *Australian Government Guide to Regulatory Impact Analysis*. We appreciate the Treasury's constructive engagement with the Office of Best Practice Regulation (OBPR).

The OBPR's assessment is that the quality of the regulatory impact analysis in the RIS is consistent with good practice.

The RIS addresses the seven RIS questions and follows an appropriate policy development process commensurate with the significance of the problem and magnitude of the proposed intervention.

The RIS may now be provided to the decision-maker to inform a final decision.

We would appreciate you advising the OBPR when a final decision has been announced and forwarding a copy of the RIS in a format meeting the Government's accessibility requirements. The OBPR will publish the RIS, along with your certification letter and this assessment, on the OBPR's website www.ris.pmc.gov.au

If you have any further queries, please do not hesitate to contact me.

Yours sincerely
