Dear Mr Crawford

**Regulation Impact Statement for second pass Final Assessment – CASR Part 101
Amendment**

Thank you for submitting a Regulation Impact Statement (RIS) examining proposed amendments to Part 101 of the *Civil Aviation Safety Regulations 1998* to the Office of Best Practice Regulation (OBPR) for second pass Final Assessment. The OBPR received the final RIS on 24 June 2019.

The OBPR's final assessment is that the Civil Aviation Safety Authority is compliant with the Government's requirements. The level of analysis in the RIS is commensurate with the problem and consistent with best practice. The RIS may now be provided to the decision maker to inform a final decision.

We would appreciate you advising us when a final decision on this proposal has been announced and forwarding us a copy of the RIS in a form meeting the Government's accessibility requirements.

The OBPR's reference number for this matter is 24246. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
