Dear Mr Lange

Sydney Harbour Federation Trust Regulations 2001

I am writing to the Office of Best Practice Regulation (OBPR) regarding the *Sydney Harbour Federation Trust Regulations 2001*, which, as per the *Legislation Act 2003*, had been scheduled to sunset on 1 October 2021. However, it has been decided that the instrument is to be remade without significant amendment.

The Sydney Harbour Federation Trust certifies that the *Sydney Harbour Federation Trust Regulations 2001* is operating effectively and efficiently, and that therefore a Regulation Impact Statement is not required for this regulation to be remade.

The assessment that the regulation is operating effectively and efficiently has been informed by a consultation process which involved public notices in national and local newspapers; information placed on the Harbour Trust’s website and e-newsletter; notification emails to the Harbour Trust’s advisory bodies, government bodies and community groups; electronic direct mail sent to the Harbour Trust’s subscriber database; and posts on Harbour Trust’s social media channels, over the period 22 June to 19 July 2021.

I also note that the regulatory burden to business, community organisations or individuals has been quantified using the Australian Government’s *Regulatory Burden Measurement framework*. These are provided below.

Average annual regulatory costs (from business as usual)				
Change in costs (\$ dollars*)	Business	Community organisations	Individuals	Total change in costs
Total, by sector	\$36.53	\$36.53	\$26.56	\$99.61

*Please note this is not \$ millions due to the small dollar value

I acknowledge that OBPR will publish this letter for transparency purposes. If you have any queries about this advice, please contact Daniel Sealey, Director Planning, on 0422 224 641, or daniel.sealey@harbourtrust.gov.au.

Yours sincerely

Linda Ward
Interim Executive Director
