Deputy Secretary  
Agriculture Policy, Research & Portfolio Strategy Group  
Department of Agriculture, Water and the Environment

Dear Ms Deininger

**Post Implementation Review – *Competition and Consumer (Industry Code – Sugar) Regulations 2017***

Thank you for your letter received on 30 November 2021 submitting a Post Implementation Review (PIR) on the *Competition and Consumer (Industry Code – Sugar) Regulations 2017* for formal assessment.

I note the PIR has been formally certified at the Deputy Secretary level and I appreciate the Department's constructive engagement on the PIR.

The Office of Best Practice Regulation's (OBPR's) assessment is that the PIR contains an adequate level of analysis to inform the decision-maker on the efficiency and effectiveness of the regulation. The PIR now needs to be sent to the relevant portfolio Minister and the Prime Minister. The PIR will then be published on the OBPR's website <https://obpr.pmc.gov.au/>. The PIR is complete, and your PIR is compliant with requirements, only after it has been published on this website.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely
