Dear Mr Lange

Broadcasting Services (Remote Indigenous Communities) Determination 2011

I am writing to the Office of Best Practice Regulation (OBPR) regarding the Broadcasting Services (Remote Indigenous Communities) Determination 2011 (under section 8B of *Broadcasting Services Act 1992*), which, as per the *Legislation Act 2003*, had been scheduled to sunset on 29 March 2022. However, it has been decided that the instrument is to be remade without significant amendment.

The Australian Communications and Media Authority certifies that the Broadcasting Services (Remote Indigenous Communities) Determination 2011 is operating effectively and efficiently, and that therefore a Regulation Impact Statement is not required for this regulation to be remade.

The assessment that the regulation is operating effectively and efficiently has been informed by a consultation process which involved the Community Broadcasting Association of Australia, the First Nations Media Authority, the National Indigenous Australians Authority, and Commercial Radio Australia over the period October 2021 to February 2022.

I also note that the regulatory burden to business, community organisations or individuals has been quantified using the Australian Government's Regulatory Burden Measurement framework. These are provided below.

Average annual regulatory costs (from business as usual)				
Change in costs (\$ million)	Business	Community organisations	Individuals	Total change in costs
Total, by sector	\$0	-\$0.05	\$0	-\$0.05

I acknowledge that OBPR will publish this letter for transparency purposes.

If you have any queries about this advice, please contact Dr Hugh Clapin on 02 9334 7952, or Hugh.Clapin@acma.gov.au.

Yours sincerely
