Ms Diane Brown
Deputy Secretary
Revenue, Small Business & Housing Group
Department of the Treasury

Dear Ms Brown

Impact Analysis – Second Pass Final Assessment – Multinational Tax Transparency

Thank you for your letter submitting an Impact Analysis (IA) for formal Second Pass Final Assessment. I note the IA has been formally certified at the Deputy Secretary level consistent with the *Australian Government Guide to Policy Impact Analysis*.

I appreciate the Department's constructive engagement on the IA. The Office of Impact Analysis' (OIA's) assessment is that the quality of the analysis in the IA is adequate.

The IA may now be provided to the decision-maker to inform their decision.

To be considered 'good practice' as per the Guide, additional quantification to better demonstrate a clear net benefit of the preferred option, greater detail and information on what metrics will be measured, and further depth as to how those metrics will monitor the performance of the policy against its objectives would have further improved the IA.

Next steps

After a final decision has been announced, I ask that your agency work with OIA to finalise this material for public release. This includes providing a copy of the IA in Word and PDF format for web accessibility purposes. The IA must be included in any Explanatory Memorandum or Statement giving effect to the proposals in the IA.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely
