Mr David Hallinan
Deputy Secretary
Infrastructure Group
Department of Infrastructure, Transport, Regional Development, Communications and Arts

Dear Mr Hallinan

Impact Analysis – Second Pass Final Assessment – Safer Freight Vehicles

Thank you for your letter submitting an Impact Analysis (IA) for formal Second Pass Final Assessment. I note the IA has been formally certified at the Deputy Secretary level consistent with the *Australian Government Guide to Policy Impact Analysis*.

I appreciate the Department's constructive engagement on the IA. The Office of Impact Analysis' (OIA) assessment is that the quality of the analysis in the IA is Good Practice.

The IA addresses the seven Impact Analysis questions and follows an appropriate policy development process commensurate with the significance of the problem and magnitude of the proposed intervention

Next steps

After a final decision has been announced, I ask that your Department works with OIA to finalise this material for public release. This includes providing a copy of the IA in Word and PDF formats for web accessibility purposes. The IA must be included in any Explanatory Memorandum or Statement giving effect to the proposals in the IA.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely
