Dear Mr Craig

Impact Analysis: Terminating Measure Sport Integrity Australia Funding - Second Pass Final Assessment

I am writing in relation to the attached Impact Analysis (IA) prepared for Terminating Measure – Sport Integrity Australia – Funding.

I am satisfied that the IA addresses the concerns raised in your letter of 27 February 2024. Specifically, inclusion of additional analysis regarding both the barriers and constraints to government intervention and also the likely costs and benefits to at-risk stakeholders and their contribution to the consultation and evaluation process.

Option 4 delivers the greatest net benefit to stakeholders and the \$42 million is a cost to government and not an associated regulatory burden to stakeholders.

Accordingly, I am satisfied that the IA is now consistent with the six principles for Australian Government policy makers as specified in the *Australian Government Guide to Policy Impact Analysis*.

I submit the IA to the Office of Impact Analysis for formal final assessment.

Yours sincerely

Luke McCann
