Dear Ms Abhayaratna

**Impact Analysis – Scams Prevention Framework – Second Pass Final Assessment**

I am writing in relation to the attached Impact Analysis (IA) prepared for the Scams Prevention Framework.

I am satisfied that the revisions made to the IA address the concerns raised in your letter of 10 October 2024. Specifically, the IA now:

- discusses the likely impact on prices of the services provided by the regulated entities;
- describes the status of the IA at each major decision point; and
- clarifies that while the regulatory costs estimates and assumptions have not been tested with stakeholders, input was requested from stakeholders and provided during the public consultation process to inform these assumptions.

Accordingly, I am satisfied that the IA is consistent with the six principles for Australian Government policy makers as specified in the *Australian Government Guide to Policy Impact Analysis*.

I submit the IA to the Office of Impact Analysis for formal final assessment.

Yours sincerely

Brenton Philp
