Mr Sean Sullivan
Deputy Secretary
Department of Climate Change, Energy, the Environment and Water

Dear Mr Sullivan

Impact Analysis – Second Pass Assessment – Improving the Water Efficiency of Commercial Ice Makers

Thank you for your letter received 21 November 2025 submitting an Impact Analysis (IA) for formal Second Pass Assessment. I note the IA has been formally certified at the Deputy Secretary level consistent with the *Australian Government Guide to Policy Impact Analysis*.

I appreciate the Department of Climate Change, Energy, the Environment and Water's (DCCEEW's) constructive engagement on the IA. The Office of Impact Analysis' (OIA) assessment is that the quality of the analysis in the IA is Exemplary. The process to develop the IA and analysis across the seven IA questions was of high standard.

Next steps

After a final decision has been announced, I ask that your agency work with the OIA to finalise this analysis for release on the OIA's website at oia.pmc.gov.au. This includes providing a copy of the IA in Word and PDF format for web accessibility purposes. The IA must also be included in any Explanatory Memorandum or Statement giving effect to the proposals in the IA.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely

Joanna Abhayaratna
